

CUSTOM BRANDING

Give your employees or customers the gift of KOR — the gift that shows you really care about them and the planet. We'll even help you personalize it with the coolest customization options you've ever seen.

Options, Options, Options!

Customize all four KOR hydration vessels: ONE, Delta, Vida and Aura. The latter three come in two sizes, for a total of 31 vessels to choose from.

Go Big or Go Home

We'll print your artwork as large as 2" x 6.5" in up to 4 vibrant spot colors.

Logo Printing with a Twist

To ensure your brand really stands out, we can print your logo on the back of each KOR vessel for a stunning aquarium-like effect. When filled, the vessel magnifies your logo with the organic beauty of water.

KOR Stones™: Go Beyond the Logo

Designed into the cap of the KOR ONE and Delta is a place for your KOR Stone™ — a disc-shaped token with a message that provides a little bit of inspiration each time you drink. Display your organization's tag line, mission statement, goals, or whatever strikes your fancy. The KOR ONE and KOR Delta hold up to four double-sided Stones™, so you can include up to eight messages total.
